Dear Jeff,

I am writing this letter to record the claim that my office is making in regard to the hazmat response we conducted in coordination with your office and other agencies from Licking and Fairfield Counties on February 15, 2005. This response was to the chemical release at a suspected Meth Lab on State Route 79 on the Fairfield County border with incident command conducted by Licking County. 14306P

These costs total \$840.00 which includes personnel and equipment costs. Please see the attached memo and note the typographical error in regard to the date of the incident. I have corrected the typo by hand.

Thank you for your assistance.

Sincerely,

Thomas N. Moe
